CIRCULAR LETTER NO. 41

To the Supervisors of Schools,

Ladies and Gentlemen:-

MANUAL FOR THE ELSON READERS BOOK 6

You are being sent a few copies of the manual for the Elson Readers Book 6. These manuals should be placed in the hands of the 6th grade teachers. We do not have sufficient copies for all 8th grade teachers, consequently several teachers will have to use the same manual.

These manuals should be returned to the Supervisor at the end of the year and are to be accounted for the same as any other book loaned to the teacher.

Very truly yours,

(Sgd.) JUAN B. HUYKE
Commissioner of Education.
